tasting notes

Villa Esposto, wine range, pays tribute to the many Italians who have played such a pivotal role in South Africa, not only in the field of winemaking but also in various civil engineering projects. In particular, it pays homage to Louis Theodore Esposto, who arrived from Italy in 1914. Louis and many other Italians built the water canal, that today is a vital "fountain of life" in our wine-growing region, Olifants River.
