tasting notes

Villa Esposto, wine range, pays tribute to the many Italians who have played such a pivotal role in South Africa, not only in the field of winemaking but also in various civil engineering projects. In particular, it pays homage to Louis Theodore Esposto, who arrived from Italy in 1914. Louis and many other Italians built the water canal, that today is a vital "fountain of life" in our wine-growing region, Olifants River.

food suggestions

This dessert wine can be enjoyed on its own. It also pairs well with desserts such as malva pudding and pairs wonderfully with matured cheese such as blue cheese.

in the vineyard

This range is made from bush vine vineyards, on the farm Arbeideind (Basie van Lill). We use 2nd and 3rd fill, French oak barrels for the fermentation process. We're also part of the Old Vine Project, as these vineyards-age ranges from 35+ years.

about the harvest

Grapes were handpicked and dried in the sun for 2 weeks.
