100% Pinotage

food suggestions

A perfect match for antipasti, grilled chicken, prawns, salmon, or just to enjoy by itself on a warm summer's evening. Serve between 7°C and 10°C.

in the vineyard

We harvest selected rows of Pinotage vines early to create this distinctive dry rosé. We carefully monitor the vineyards to ensure optimal ripeness and flavour development. Grapes are hand- picked in the cool early morning hours and chilled before crushing to preserve their natural freshness and vibrant fruit character.

in the cellar

This wine has a light pink colour due to short skin contact during fermentation.
